How to Get a Job in the USA

(With emphasis on business communication basics)

This program is designed to give an overview of the job search process, provide valuable communication tools and turn students into confident job seekers.

The participants will learn:

- What American employers want
- How to avoid mistakes and not to miss out on job offers
- How to market themselves (the American way)
- How to put together the paperwork
- How to go about finding job openings
- How to NETWORK
- How to negotiate a job offer and discuss salary
- Many communication tools to apply in life in the US

" ... Your presentation served as a key vehicle in helping students become creative in identifying and maximizing potential sources of employment. You have an important message to deliver and a manner of delivery that creates a comfortable atmosphere."

– LouAnn Bloomer, President and CEO, TBICO
(The Bridge to Independence and Career Opportunities)

"...I attended ...your seminar....I applied for the job of my dreams...and I got it! First, I thank God and I also thank you for everything you taught us that day!"

– Norma Santos, seminar participant

***"Highly recommended", Richard Bolles, author,
What Color Is Your Parachute?***

Dr. Nara Venditti is the president and founder of Succeed in America, LLC, a consulting firm that helps individuals and organizations with such issues as workplace diversity, foreign-born employee development, business communication, and multicultural customer service. She is Diversity Director of the Connecticut State Council of Society for Human Resource Management (SHRM).
